*Hello Fred*

Here's the V-mail I promised you in Sunday's letter. As haven't you gotten the letter yet? If not guess you're writing one I didn't have to!

Yesterdays mail brought me a couple of letters, one of which was sister's - telling of the day she & Ma went shopping, supposedly on Ma's birthday, 'cuz she couldn't get off that day as was doing it beforehand! - What a system! Also in the letter was Ma's birthday celebration. How awfully glad to get the details and to know just what you did. Know every one had a good time. - What's she doing, working in Cumberland? Is he still working for the govt?

Look out some insurance towards getting home, the other day. Have worn my hair long ever since I left the states but decided as that was the way everyone would like to see it. I'd get it cut short, and if anything worse as usual. - I haven't got home solid it's short! - I even shave my head if I thought it would do any good! - I don't like them figures for even a second!

**V-MAIL**

*Love & Love  
Frank*
